I am requesting an advisory opinion on the following:

I am currently employed by DeSoto Parish School System and will be resigning effective June 30, 2016. I retired January 14, 2010, but returned to work full-time with Desoto. When I resign in June, will I be able to perform part-time work either on a paid hourly basis or contract basis with DeSoto School System? Are there specific circumstances in which I would be eligible to continue service such as through an LLC?

I am interested in providing support and service to the DeSoto Early Childhood Network Program Partners in response to Legislative Act 3, performing CLASS observations and providing professional development to teachers and child care workers. The DeSoto Parish School System is the fiscal agent for the Desoto Early Childhood Network.

Please provide me with advice that is acceptable within the ethics code.

Respectfully,

*Sheila Clark*
